

Time to Melt the Phone Lines

We need to put pressure on the U.S. Senate

Friends,

Last week we had a huge victory for America when the House voted to pass a continuing resolution (CR) completely funding the federal government, while defunding Obamacare.

Two months ago, no one believed this would happen, but the grassroots rose up and had their voices heard! You are the reason for the victory last week in the House.

Now the hard work begins as the CR has been sent to the Senate and it is in the hands of Harry Reid. We all know that Harry Reid is going to use every trick he can to add the funding for Obamacare back into the CR.

The only way we can stop Harry Reid is if the entire Republican caucus in the Senate unites and stands with the American people and the House of Representatives.

Senate rules and procedures are confusing, so this is what you need to know:

The Senate will first vote on cloture, which will allow them to proceed to the actual vote on the House bill. Harry Reid plans to add an amendment to the CR, which will add back in the funding for Obamacare. He plans to pass this CR and amendment with only 51 votes.

The cloture vote will require 60 votes to proceed. This is where the Republicans need to vote NO on cloture.

Anyone that votes YES to cloture, is voting to fund Obamacare. It doesn't matter if they say they support defunding Obamacare or they support the House CR, if they vote YES on cloture, they have voted to fund Obamacare. If they fund it, they own it!

The only way that Harry Reid can get 60 votes for cloture is if 6 Republicans vote yes. This is why they must hear from you NOW, before the cloture vote.

How can you help?

- 1. We need you to Call, Tweet and Facebook the Republican Senators listed below.**
- 2. After calling, please use social media to send the same message to the Senators. It is much harder for them to ignore messages they receive in a public forum.**

The message to the Republican Senators:

** Tell them to VOTE NO on CLOTURE.*

** Tell them if they vote for cloture, they are voting to fund Obamacare.*

** Tell them to stand with Senators Ted Cruz and Mike Lee, the Republicans in the House of Representatives and the American people who want to stop this train wreck called Obamacare.*

**They should insist Harry Reid pass the House bill as is, and demand a 60-vote threshold for any effort that would add Obamacare funding back into the House bill.*

** Remind them they work for "We the People."*

PLEASE NOTE:

**The list below is in the order of priority of who needs to be contacted. Please start at the top and work your way down. Just because they don't represent your state, does not mean their vote doesn't affect you.

**Do not let them try and fool you or trick you. Ask them how they plan to vote on cloture. You want assurance they are going to vote NO on cloture.

PLEASE Send this email to everyone you know, or at least three family members/friends, and ask them to do the same.

Additional Information & Resources

Contrary to what all the pundits are saying, there is a path to victory. Senator Cruz has penned an op-ed on the path to victory and you can read his piece here:

[The Path To Victory - by Ted Cruz](#)

We need every Republican Senator to unite and vote NO on cloture to defund Obamacare. This could be our last chance.

It is time for the Senate to listen to the American people like the House listened to the American people last week.

Please do your part to support Senator Ted Cruz and Senator Mike Lee. Time is of the essence.

Thank you for your commitment to America and your fight for liberty.

The Tea Party Express is committed to do all that we can to make sure that Obamacare is both delayed and defunded. If you agree with us and would like us to continue our fight, please consider making a generous contribution today. Unfortunately, funding such a fight is not cheap and we are up against forces that have deep pockets.
